Points are awarded to each referee based on the number of games refereed as follows:

- 1 point for Assistant Refereeing a game

Referee fees for IPSL are paid directly by the league and NSC does not count IPSL games toward NSC re-certification reimbursement point system. Tournament refereeing is also not included in the NSC re-certification reimbursement

Payment of league match refereeing and re-certification fees are at the sole discretion of the NSC Board of Directors and may be modified or suspended at any time.
